Want a faster & easier way to convert Wolseley quotes into immediate orders?

Web Quotes is a new feature unique to Wolseley Express! You can now receive custom quotations on your desktop, review, and then process to an immediate order online.

BENEFITS OF USING WEB QUOTES

- All of your quotes are stored in one place for easy reference
- Enjoy the same competitive pricing you receive at the branch
- Easy access to listed AND non-listed product
- Save time! No more product searching, faxing or waiting on the phone.
- Improved order accuracy
- Fast and efficient –accept your quotation online and process to an immediate order

HOW DO I GET QUOTES ONLINE?

1. If you have a Wolseley Express account you immediately qualify. Contact your inside or outside sales rep and provide details around your quotation.
2. Your sales rep will enter your quote information into the computer at the branch and submit directly to your Wolseley Express account. From there they will contact you by phone or email to confirm the quote has been sent.
3. Retrieve your quote immediately in your 'Web Quotes' page.
4. Review full quote details. If you have any requested changes contact your sales person by phone or email. Changes can be implemented immediately into our system and transmitted directly back to your Web Quotes feature on Wolseley Express in real time.
5. Once you are happy with your quote you choose 'Place as Order' and it will be sent immediately to our system for processing.

WHAT HAPPENS NEXT?

Once you have chosen **'Place as Order'** you will be presented with a pop-up screen and will be prompted to enter **Customer PO, Required Date and Shipping information.**

You can establish the shipping address with your sales person when the quote is initially prepared and will have an option to choose to deliver to your default location OR pick up at a specified branch.

You will get a confirmation email that the quote has been converted to an order with shipping and delivery instructions confirmed.

F.A.Q.'s

Pick up or Delivery

You can choose to have the order delivered to the shipping address in the quote, or pick up at a specified location established when the quote is put together with the sales rep.

How long are the quotes valid?

Quotes will remain on Wolseley Express for 30 days. The quotes will be unavailable online after this date but will remain in our system. The quotes can be reissued again if expired.
