

Dechlorination Tablets & Granules (Sodium Sulfite)

USA BlueBook BRAND PRODUCTS

YOUR BEST VALUE!

USA BlueBook Dechlorination Tablets

- Works with all major brands of tablet feeders, including Severn Trent, Norweco, JET and De Nora

USA BlueBook dechlorination tablets offer a cost-effective, environmentally safe way for operators to meet the non-detectable chlorine level specified in many NPDES permits.

Shipping: Additional shipping fees apply.

DESCRIPTION	STOCK #	EACH	QTY 4+	COUNTRY OF ORIGIN
45-lb Pail	28530	\$	\$	*USA*

Active ingredient:	35% sodium sulfite
Size:	2 ⁵ / ₈ "-dia tablets
pH:	alkaline
Color:	green
Odor:	mild

Bio-Neutralizer™ Dechlorination Tablets

- Environmentally safe

Bio-Neutralizer tablets are an effective, low-cost solution for reducing available chlorine in disinfected wastewater effluent. They consistently meet the non-detectable chlorine levels specified in many NPDES permits. Suitable for use in most tablet feeders.

Shipping: Additional shipping fees apply.

DESCRIPTION	STOCK #	EACH	QTY 4+	COUNTRY OF ORIGIN
45-lb Pail	45385	\$	\$	*USA*

Active ingredient:	35% sodium sulfite
Size:	2 ⁵ / ₈ "-dia tablets
pH:	alkaline
Color:	green
Odor:	mild

Norweco® Bio-Max® Dechlorination Tablets

- Safer alternative for dechlorination

These inexpensive concentrated tablets provide a consistent release of sodium sulfite in response to water velocity. Use with all major brands of gravity or pressurized tablet feeders. A single 140 gram Bio-Max tablet removes 1 ppm chlorine from over 19,000 gallons of water or wastewater.

Shipping: Additional shipping fees apply.

DESCRIPTION	STOCK #	EACH	QTY 4+
48-lb Pail	28083	\$	\$

Active ingredient:	95% sodium sulfite
Size:	2 ⁵ / ₈ "-dia tablets
pH:	alkaline
Color:	blue-green
Odor:	slight herbal

D-Chlor™ Dechlorination Tablets

- 92.3% active sodium sulfite concentration for longer life

These tablets offer a patented formula with an extra-high active chemical concentration. If properly monitored, they last longer than other brands.

Shipping: Additional shipping fees apply.

DESCRIPTION	STOCK #	EACH	QTY 4+	COUNTRY OF ORIGIN
45-lb Pail	28526	\$	\$	*USA*

Active ingredient:	92.3% sodium sulfite
Size:	2 ⁵ / ₈ "-dia tablets
pH:	alkaline
Color:	pale green
Odor:	slight sulfur, pine fragrance added

Vita-D-Chlor™ Neutral Dechlorination Granules

- Safe to handle, even in accidental over-dechlorination situations

Vita-D-Chlor's neutral dechlorination granules are great for use with super-chlorinated water. Solubility of 50% makes them easy to mix when out in the field.

Shipping: Additional shipping fees apply.

DESCRIPTION	STOCK #	EACH	QTY 4+
5.5-lb Pail	25407	\$	\$
26.5-lb Pail	25408
