

Utility Fans

Powerful solutions for a variety of rooms.

Eliminate humidity from laundry rooms, tobacco smoke from recreation rooms and workshops or cooking fumes from kitchens with Broan's high-efficiency utility ventilators.

- Ceiling models include adjustable mounting brackets for room positioning flexibility
- Permanently lubricated, thermally protected plug-in motor
- Contemporary styled grilles
- Rugged steel housings with electrically bonded epoxy paint
- Attractive low-profile white polymeric grilles can be painted to match any decor
- Models 503N, 505N and 509N are CSA certified for kitchen use when used with an aluminum filter
